BUY YOUR F.F.A. AND 4-H CLUB CALF WINNERS HERE

Again this year at some of the early shows we have received some wonderful reports of top winners that were purchased in our sale a year ago. Larry Lindville, Norborne, Missouri, had the reserve champion Shorthorn steer in the F.F.A. division at the 1962 Missouri State Fair and this same steer was champion over all breeds at Trenton, Missouri. Craig Frazier, Milan, Mo. had the reserve grand champion steer over all breeds at the Linn And Sullivan County Fair. Johnny Coats, Norborne, Missouri had the champion 4-H breeding heifer at the 1961 Missouri State Fair on a daughter of Roanridge Footprint. This pleases us very much, so much that we have agreed to sell all of our top calves again this year.

Featured will be eleven cows with calves at foot and rebred. Eleven bred cows and 7 bred heifers and 9 outstanding open heifers including some 1962 junior heifer calves. These are all registered and feature the service of the American Royal grand champion bull, **W L Conquest, Edgewood Lone Star** by Silver Master, **Fontana Cornerstone** by Glasstulich Crussader and **Roanridge Footprint** one of the greatest breeding bulls we have ever owned by Sunset Bounce 26th.

C. H. Houghton & Sons, Polo, Missouri, a guest consignor will sell 15 top steer calves and 5 unregistered heifer calves all dropped in March and April. These are sired by **Leveldale Alumnus** by Leveldale Bloodbank and **Memories Control** by Rannoch Memory.

The steer calves all are out of registered cows and will be identified as to sire and dam and will include some outstanding individuals. All registered breeding stock sells fully guaranteed, T. B. and Bangs tested, and will be sold under cover at the farm in right off the grass condition.

3RD ANNUAL BIG FEMALE AND CALF SALE

George Shaw stands at the main gate of his 320 acre grassland farm just east of the Trimble Wild Life Area. Purchasing his first Shorthorns in 1952, he immediately became one of the breed's greatest boosters. His pastures, yards, and barn facilities are a model for production and he has applied the same good sound business judgement to his Shorthorn business that he has to his successful career as a Kansas City businessman.

These Great Sires are in Service

ROANRIDGE FOOTPRINT - A solid red son of Sunset Bounce 26th by Cruggleton Bounce. Dam, Saltoun Aldine Broadhooks by Calrossie Footprint, the same family that produced the reserve champion steer, 1954 American Royal.

FONTANA CORNERSTONE - An outstanding son of Glattullich Crusader, half brother to the \$39,000, 1958 Perth Champion bull, Calrossie Fortitude.

W L CONQUEST - By Bapton Construction grand champion American Royal, 1960 Fort Worth, Houston, and San Antonio Shows. Reserve grand champion at Denver. Owned Jointly with Andes Brothers, Mound City, Missouri.

EDGEWOOD LONE STAR - a dark roan son of Silver Master by Braedoon Quick Silver. His dam by Memories Delegate by Rannoch Memory, top selling bull of the Calgary Sale where he was purchased by the late William E. Thorne, Lancaster, Kansas.

SATURDAY, OCTOBER 13, 1962

George Shaw and J. Charles Bright had to cut right into the heart of the Shaw breeding herd this year to assemble 38 lots of good registered females for this sale. Two years ago at the time of the first sale there were 293 head of registered Shorthorns on this farm. As Charlie Bright put it, "there is nothing wrong with any cattle we are selling in the sale but what you can see on them. Every one has been a good producer. They are sired by good bulls. They are mated to good bulls. They have produced well for us and they should do well for their new buyers."

The 9 open heifers are sired by Roanridge Footprint and Roanridge Bounce both outstanding breeding sons of Sunset Bounce 26th. Others are by Silver's Master by Braedoon Quick Silver, Memories Delegate by Rannoch Memory, Fontana Cornerstone by Glastullich Crusader and Kar-Burn Commando by Acadia Commando.

7 bred heifers are an outstanding group and 6 of them carry the service of the junior herd sire, Edgewood Lone Star, a really, thick, rugged, soggy, dark roan son of Silver's Master by Braedoon Quick Silver.

The cows with calves at foot will be real attractions and include several daughters of HF Clipper Research by the 3 times Chicago International first prize winner, Glassingal Research. Also several daughters of imported Moy Bounty by Crichton Air Marshall.

A number of the bred cows that are selling carry the valuable service of the popular American Royal grand champion bull, W L Conquest by the \$50,000 Bapton Constructor.

3RD ANNUAL BIG FEMALE AND CALF SALE

Craig Frazier, Milan, Missouri and his reserve grand champion steer over all breeds at the 1962 Linn Sullivan County Fair. This calf was lot 58 in last year's sale.

Milan Missouri
August 20, 1962

Dear Merv,

I think this bit of news will be of interest to you. You will probably remember we bought two calves at Shaw's Sale last fall. One of the calves is a full brother to the calf that was brought out from the Royal Show. Craig showed this calf at the Linn Sullivan County Fair last week where he was made reserve champion over all breeds in competition with about 40 head of Angus and Herefords. As you know we live in a territory that is referred to as being the Angus capital of the world. This fine pair of Shorthorns certainly created a lot of interest and you can imagine that we were certainly well pleased to win in this kind of a show.

Glen Frazier

SATURDAY, OCTOBER 13, 1962

The last two years the steers sold by Shaws Pleasant Acres have been of unusual high quality and have certainly given a good account of themselves in shows throughout Missouri, Kansas, Iowa and Illinois. Again this year George Shaw and Charles Bright have hand picked 25 head that will be hard to equal anywhere. They are sired by Silver's Master, Kar-Burn Commando, Roanridge Bounce, Memory's Delegate, Roanridge Footprint and Fontana Cornerstone.

Bull With A Record . . .

GLASTULLICH RED EAGLE

A son of Bapton Captivator by Calrossie Constellation. Dam by Calrossie Highland Welcome. Imported by L. E. Mathers. We purchased two-thirds interest in Glastullich Red Eagle from J. E. Klockenga, Emden, Ill. Most of our registered cows will be bred to this great sire.

LEVELDALE ALUMNUS

The first son of the many times winner Leveldale Blood Bank. Dam, Leveldale Augusta Milly by Beaufort Chevalier, produced Leveldale Achilles, now at Schreiber Farms.

MEMORY'S CONTROL

By Rannoch Memory by Pittodrie Fortune. Dam, Butterfly 9th by Leveldale Blockade. A great breeding bull from the W. E. Thorne herd of Kansas.

3RD ANNUAL BIG FEMALE AND CALF SALE

SHORTHORN COWS WITH CALVES AT FOOT AND ALL REBRED.

You can't go wrong, buying breeding combinations like this. You'll like the good Scotch pedigrees and you'll also like the well-bred, big, thick, deep bulls that have been used in this herd.

There Will Be Some More Good Buying Opportunities
At Shaws Pleasant Acres Sale Again This Year

Since the sale a year ago, George Shaw has been joined by a very capable young cattleman, J. Charles Bright. Charlie's cattle background has served him well in such jobs as herdsman at the noted Edellyn Farms in Wilson, Illinois until it was dispersed a few years ago and most recently as herdsman at the Staley Angus Farm at Liberty, Missouri. Because George Shaw finds it necessary to devote much of his time to his Kansas City business, this Shaw-Bright combination has been a most ideal arrangement.

As has been the custom, the cattle are being offered in just off pasture condition, but they show their bloom and quality. I had the opportunity of going over the entire offering on August 23 and this is by far the most valuable group of females and young steer calves that have ever been offered at these annual sales. Neighbor breeders, C. H. Houghton & Sons of Polo, Missouri, are also consigning 15 steer calves and 5 heifer calves that will add further to the attractiveness of this sale.

Already a number of winners has showed up at this year's major steer shows of calves that were purchased here a year ago.

It is a pleasure indeed to invite Shorthorn enthusiasts to attend this Third Annual Pleasant Acres Shorthorn Sale as I can do so with the assurance that sale day guests will be pleased with what they see and from past experience, I know that they will be more than well satisfied with the purchases they make. Please keep in mind that Shorthorn people can attend this sale on Saturday, attend the big Shorthorn get-together in Kansas City on Sunday and then watch the Shorthorn judging at the American Royal Livestock Show on Monday and Tuesday.

Merv Aegerter, Sale Manager

SATURDAY, OCTOBER 13, 1962

**Standard Guarantee of the
American Shorthorn Breeders'
Association**

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller. Cows with calves at foot even though bred are not given any guarantee.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's Disease of the state or country into which they may be shipped.
6. Certificates of registry and transfers will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record of sire and dam, as well as service date.
7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off.
